

Thank you for registering to attend the Swamp Fox Sustainability Forum on December 2nd.

The Forum will take place at the Moore School of Business at the University of South Carolina in Columbia. The Moore School is located in the Close-Hipp Building at the corner of Pendleton and Barnwell Streets. The building is recognizable by the multi-color international flags which ring the outside of the facility's second floor. Our event will be held in the Daniel-Mickel Center on the 8th floor. The elevator tower is located in the center of the building.

Registration will begin at 8:30 am, with the program starting at 9:00 am. The Forum will end around 4:00 pm. Lunch is included.

We have reserved parking for attendees in the lot adjacent to the School. Please enter through the gate at the corner of Pendleton and Barnwell and park in the spaces where the meters are covered with garnet bags. There will be a guard at the gate who can direct you. Please indicate that you are attending the Sustainability Forum.

Maps and driving directions are available via the link below.
